Dear Maurits van Pelt,

WDF07-229 Diabetes peer education in rural Cambodia.

On behalf of the Board of Directors and staff of the World Diabetes Foundation I would like to thank you, your organisation, the local project staff and the volunteers working on the project on the successful completion of the above project. The Foundation would like to express its deepest appreciation and admiration for the work that has been carried out in Cambodia. We would appreciate if you would convey our appreciation to all concerned.

The collaboration with the WDF secretariat has been efficient and smooth throughout the project period from October 2007 to September 2010.

We hope that the work of the diabetes peer educators will continue to benefit the people of Cambodia thereby ensuring sustainability to the initiative funded by the World Diabetes Foundation. We wish you all the best in your work and with your on-going WDF project WDF09-463.

Best Regards

Anil Kapur
